

AIROYoung RoundTable

Let's celebrate our
first 10th anniversary!

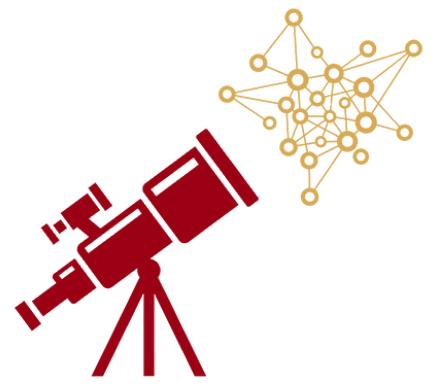

Padova, February 12, 2026

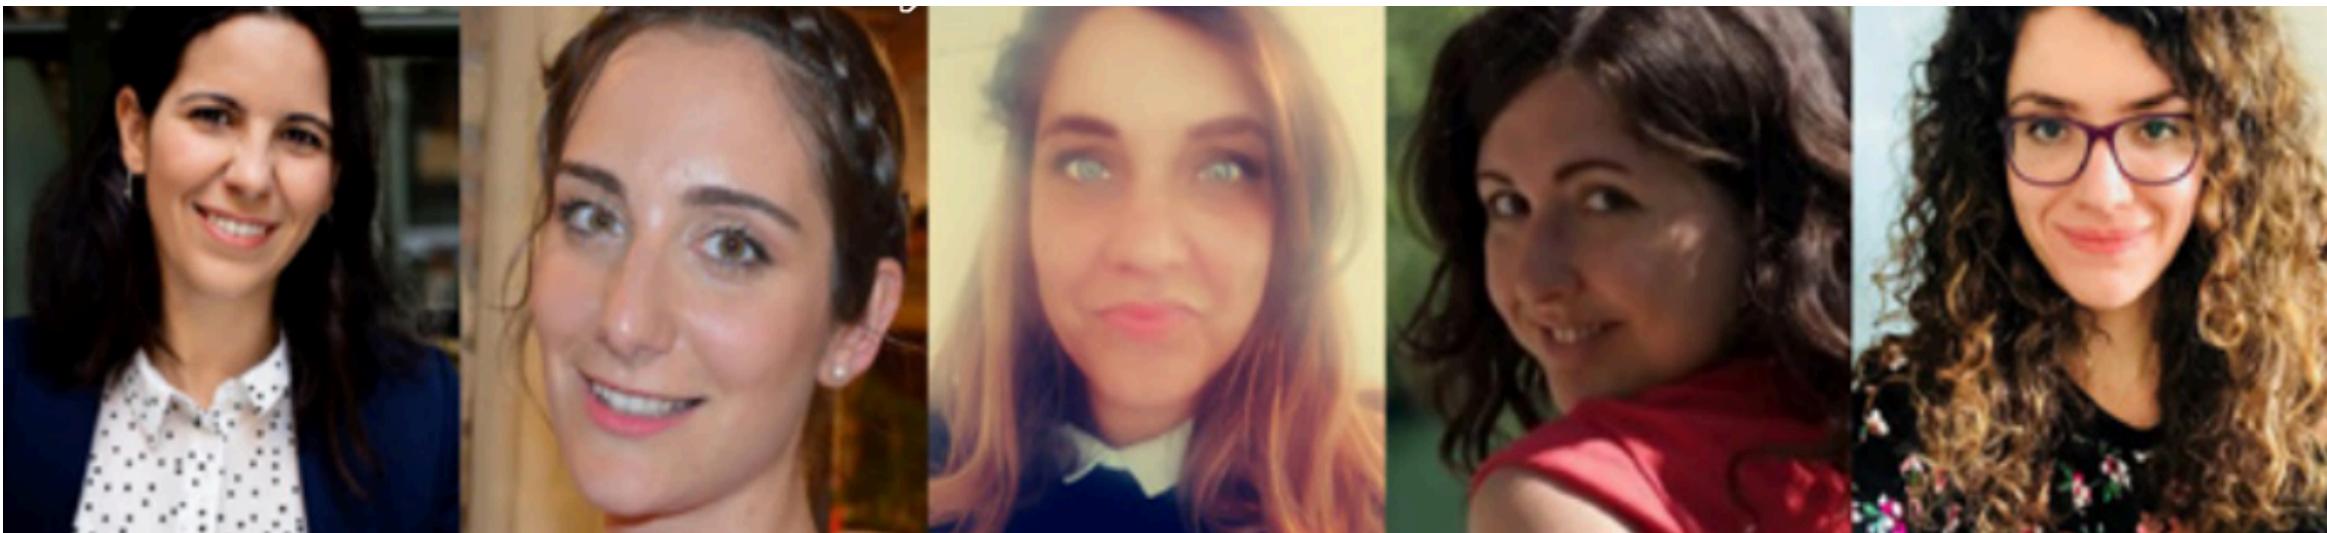

What is AIRO YOUNG

- It is the **Young Chapter of the Italian Operational Research Society (AIRO)**
- It **fosters collaboration** between students and early-career researchers interested in the field of OR
- It **provides new opportunities** to advance their career and expand their network
- It **strives to connect the demand/offer** in the OR job market, both in academia and in industry.
